

Keene Pumpkin Festival

Thank you to all of the students, families, teachers and staff participating in Keene Pumpkin Festival in the HeART of Downtown Keene!

Here's some information which may help you get the most out of the experience.

Although every school will have its own carving plan, we know the pumpkins will be delivered to schools the week of Tuesday, October 22, 2019.

Students will design and carve jack-o'-lanterns, which, when combined with creations from all 21 schools, will make a spectacular display in Downtown Keene.

Event organizers are working with SAU administrators and the independent schools to arrange drop off and delivery logistics. Schedules will be coming out separately.

The fantastic orange creations will be displayed for all to enjoy during Keene Pumpkin Festival, Sunday October 27, 1-7pm. After 7pm, everyone is invited to take home their jack-o'-lantern for Halloween!

Keene Pumpkin Festival in the HeART of Downtown Keene is free, open to all. See the schedule at right and **check pumpkinfestival.org for updates**. Kids (and families!) are encouraged to come in costume to the festival, join the parade and check out beautiful Downtown Keene's shops and restaurants hosting trick-or-treating.

Pumpkins from 21 schools will be on display!

Sunday, October 27, 2019 • 1-7pm
